

# Online training course

## Safeguarding Children - Levels 1 and 2 (Archived)

### Introduction

This course will help to ensure that all people working with or who have contact with children and young people are equipped to carry out their safeguarding responsibilities effectively.

### Audience

This Safeguarding Children (Level 1) course bundle is intended for staff who fall into the following work groups:

Group 1: Staff who are in infrequent contact with children, young people and / or parents / carers and who may become aware of possible abuse or neglect.

Group 2: Those in regular contact or have a period of intense but irregular contact, with children, young people and / or parents / carers, who may be in a position to identify concerns about maltreatment, including those that may arise from the use of a common / early help assessment.

Please note: if you fall within the three work groups outlined below, you would need to complete additional training.

Group 3: Members of the workforce who work predominantly with children, young people and/or their parents/carers and who could potentially contribute to assessing, planning, intervening and reviewing the needs of a child and parenting capacity where there are safeguarding concerns.

Group 4: Members of the workforce who are responsible for making safeguarding referrals to the Police and Children's Social Care

Group 5: Members of the workforce who have particular responsibilities in relation to undertaking section 47 enquiries, including professionals police and children's social care; those who work with complex cases and social work staff responsible for co-ordinating assessments of children in need.
